(b) the number of people in the hospitals under treatment at present in the country, Statewise; and

(c) the steps taken by Government to control the situation?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI ASHWINI KUMAR CHOUBEY): (a) The details of number of people affected and lost their lives due to COVID-19 during last 6 months, State-wise, month wise is given as Statement-I (*See* below).

(b) The number of people under treatment at present in the country, State-wise is given as Statement-II (*See* below).

(c) Government of India has taken a series of actions to prevent, control and mitigate the impact of COVID-19. India followed a whole of Government and whole of society approach. Hon'ble Prime Minister, a High level Group of Ministers (GoM), Cabinet Secretary, Committee of Secretaries and senior officers in MoHFW continue to monitor public health response to COVID-19 in the country.

The public health actions were taken in a pre-emptive, pro-active, graded manner based on the evolving scenario. A number of travel advisories were issued restricting inflow of international travellers, till such time, commercial flights were suspended on 23rd March, 2020. Till then, a total of 14,154 flights with 15,24,266 passengers have been screened at these airports. Screening was also done at 12 major and 65 minor ports and
