UNSTARRED QUESTION NO. : 983

TO BE ANSWERED ON THE 10th February 2021

CONCESSION IN FARES DURING VANDE BHARAT MISSION

983. SHRI ABDUL WAHAB

Will the Minister of CIVIL AVIATION be pleased to state:-

- (a) whether Government has provided any free flights or tickets to the needy Indian citizens stranded abroad while evacuating them through Vande Bharat Mission (VBM);**
- (b) if so, the details of the free flights or tickets provided in all the phases of Vande Bharat Mission;**
- (c) whether it is a fact that the flight providers have charged an excessive amount for the tickets issued for Vande Bharat Mission;**
- (d) if so, the reason therefor; and**
- (e) the minimum, maximum and average price charged by flight companies during Vande Bharat Mission in all corridors separately?**

ANSWER

Minister of State (IC) in the Ministry of CIVIL AVIATION (Shri Hardeep Singh Puri)

(a): No, Sir.

(b): Does not arise.

(c) & (d): The fares for the repatriation flights operating under the Vande Bharat Mission cannot be compared with the fares of scheduled flights on the same route due to various reasons. On many sectors, the aircraft were travelling empty (ferry) on the outbound leg and fares were high as the cost of operations had to be recovered from the one-way load. Further, the aircraft had to make halt for longer hours at various legs of journey due to COVID restrictions. Also, the COVID situation has added to the cost of operations towards PPE kits, new guidelines for ground handling, sanitizers, etc. However, these fares were substantially lower than fares charged by some of the competitor airlines. With the establishment of Air

Bubble arrangements with various countries, the fares have come down and reflect market conditions.

(e): The Fare sheet, destination-wise, in respect of Air India (excluding charter flights) for Phases 1 to 3 of Vande Bharat Mission is placed at Annexure-A.
