ANSWER
MINISTER OF RURAL DEVELOPMENT
(SHRI NARENDRA SINGH TOMAR)

(a) & (b) Yes, Sir. The Hon'ble Members of Parliament have identified 1,960 Gram Panchayats under Saansad Adarsh Gram Yojana (SAGY) till 8th February, 2021 since the beginning of the initiative. The Gram Panchayats adopted under SAGY prepare Village Development Plans (VDP) through a participatory process under the guidance of Hon'ble Members of Parliament. The VDP includes prioritised time-bound activities to achieve holistic progress of the village. So far 1,565 Gram Panchayats have uploaded their VDP containing 76,776 projects, as per the data available on SAGY website (<http://saanjhi.gov.in>). Out of these, 48,561 (63%) projects have been completed as on 8 February, 2021.

Under the SAGY framework, the development of Gram Panchayats is envisaged through convergence and implementation of existing Government Schemes and Programmes under the administrative control of respective Ministries without allocating additional funds. Further, the third party evaluation of SAGY GPs by nine Central Universities has indicated that the components covered under the scheme and the activities proposed were very much relevant in overall development of villages. The progress of implementation of the Village Development Plans (VDP) in the SAGY Gram Panchayats is given at **Annexure-I**.

Annexure-I referred in point (a) & (b) of reply to Rajya Sabha unstarred question No. 1422 scheduled for answer on 12th February 2021

The progress of implementation of the Village Development Plans (VDP) in the SAGY Gram Panchayats as per information available on SAGY website (<http://saanjhi.gov.in>) as on 8 February 2021 (year wise):
