UNSTARRED QUESTION NO. 2728
TO BE ANSWERED ON THE 19/03/2021

PROCUREMENT OF CROPS AT MSP

2728. SHRI BIKASH RANJAN:

Will the Minister of AGRICULTURE AND FARMERS WELFARE be pleased to state:

- (a) the total production of crops and percentage of procurement of these crops at MSP during the years 2017 to 2020, crop-wise;
- (b) the percentage of farmers getting MSP for their crops during the years 2017 to 2020;
- (c) the total number of cooperative market yards under APMC in the country; and
- (d) the number of warehouses and Controlled Atmosphere (CA) facilities of Corporate to agriculture produce approved by Government, along with capacity, State-wise?

ANSWER

MINISTER OF AGRICULTURE AND FARMERS WELFARE

(SHRI NARENDRA SINGH TOMAR)

(a) & (b): The total production of crops, procurement of these crops at MSP and number of farmers benefitted on procurement of notified crops at MSP during the years 2017-18 to 2020-21 is at **Annexure-I**. Government procurement intervention through MSP operation also benefits those farmers who are not covered under MSP operations as overall market also response to declaration of MSP and Government's procurement operations which results in private procurement on or above the MSP for various notified crops. Therefore, accurate number of farmers availing the benefits of MSP operation is difficult to assess

(c): No such information is available.

(d): The Year-wise details of registered warehouses with capacity as on 17.03.2021 under Warehousing Development and Regulatory Authority (WDRA) and state wise details of Cold Storage under Mission for Integrated Development of Horticulture (MIDH) Scheme upto 31.12.2020 are at **Annexure-II & III**.
