Answer

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE
(SHRI ANURAG SINGH THAKUR)

(a) to (c): NABARD provides financial assistance to States under various funds set up by the Government for financing agriculture and rural infrastructure projects. The major financing facilities to the States are mentioned below:

1. Rural Infrastructure Development Fund (RIDF): NABARD has been extending loans to State Govts. from 1995-96 onwards for financing rural infrastructure projects from RIDF. At present, a wide range of 37 activities, covering almost all aspects of rural infrastructure is being funded under RIDF. Allocation under RIDF for 2021-22 has been increased to Rs. 40,000 crore from the previous year's allocation of Rs. 30,000 crore.

A High Power Committee (HPC) at the State level under the Chairpersonship of Chief Secretary/ Additional Chief Secretary including representatives of implementing department as well as NABARD, monitors the progress in implementation, in respect of the projects under RIDF.

Monitoring of projects sanctioned under RIDF is primarily the responsibility of the implementing Department of the State Governments. The monitoring undertaken by NABARD is by exception and is conducted through:-

- (i) Desk Monitoring (off-site) and
- (ii) Field Monitoring (on-site) of sample projects

State-wise and sector-wise disbursement under RIDF during each of the last three years is given at *Annexure-I*.

2. Micro Irrigation Fund (MIF): A dedicated “Micro Irrigation Fund” (MIF) was set up in NABARD with an initial corpus of Rs.5000 crores, to be utilized from the year 2017-18 onwards, for achieving the goal, ‘per drop more crop’. The main objective of the fund shall be to facilitate the States in mobilizing the resources for installation of Micro Irrigation System and offering support for expanding coverage of Micro Irrigation (MI) by encouraging the States to avail this credit at a lower interest rate. The Scheme also aims to encourage the States in taking up pressurized irrigation system in command area in project mode.

Monitoring of projects assisted through MIF is primarily the responsibility of the implementing agency/ department of the State Govt. However, NABARD has its own monitoring mechanism to ensure the timely implementation of the sanctioned projects under the above said scheme.

Financial assistance provided to various States under MIF during each of the last three years is given at *Annexure-II*.

3. Warehouse Infrastructure Fund (WIF): The WIF was set up in NABARD for expansion of warehouses and other cold storage infrastructure development in rural areas. Government of India has allocated Rs. 5000 crore each under Warehouse Infrastructure Fund for 2013-14 & 2014-15. A High Power Committee (HPC) constituted by the respective State Governments monitors the progress in implementation of the projects under WIF. NABARD monitors these projects by exception.

State-wise details of sanction and disbursement of loans under WIF during last three years is given at *Annexure-III*.

4. Women Self Help Group (WSHG): Financial Assistance towards WSHG and Financial Inclusion Fund (FIF): Government of India has set up a “Women Self Help Group Development Fund” to implement a ‘Scheme for promotion of Women SHGs in Left wing Extremism Affected and Backward districts of India’.

State-wise financial assistance provided under the WSHG for the last three years is given at *Annexure-IV*.

(d): The Government fixes agriculture credit disbursement targets for banking sector every year.

The Agri. Credit target and achievement during the last three years is as under:
