- (b) if so, the details thereof;
- (c) the list of incomplete sanctioned projects under the North East Special Infrastructure Development Scheme (NESIDS) since its inception;
- (d) whether after releasing project funds from the Central Government, the State Governments are taking too much time for release of funds to contractors and it is the main reason for delay in implementation of many schemes; and
- (e) if so, the details thereof and the measures taken by Government for speedy release of funds to its contractors?

ANSWER

The Minister of State (Independent Charge) of the Ministry of Development of North Eastern Region
[Dr. Jitendra Singh]

(a) and (b) Yes Sir. Under the schemes and packages of the Ministry of Development of North Eastern Region, and the North Eastern Council (NEC), projects are sanctioned for development in the North Eastern Region, in various sectors, including those for infrastructure development. In the last five years, including the current Financial Year, 594 infrastructure development related projects worth Rs.8697.27 crore have been sanctioned under various schemes/packages implemented by the Ministry/NEC.

(c) The projects under NESIDS were sanctioned from financial year 2018-19 onwards and all the projects are at various stages of implementation. List of all the ongoing projects is at **Annexure**.

(d) and (e) The projects sanctioned under the schemes implemented by the Ministry like NESIDS etc. are implemented/executed by the respective State Governments. Funds against the sanctioned projects are released by the Ministry to State Governments, in stages, as and when requisite documents for release of funds are received from them. The States further disburse the funds to their respective Implementing Agencies. To avoid delay in release of funds by States to Implementing Agencies, all the funds are released by the Ministry to the State Governments through Public Finance Management System (PFMS) portal. In addition, the State Governments have also been directed to implement Expenditure-Advance-Transfer (EAT) modules of PFMS for tracking of funds released under the scheme.

Annexure referred to reply to part (c) of Rajya Sabha Unstarred Question No.2576 for answer on 18.03.2021.
