- (c) the number of jobs created and the targeted number of jobs; and
- (d) the details of the jobs created, State-wise?

ANSWER

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY (SHRI SANJAY DHOTRE)

(a) to (d): Government had launched India BPO Promotion Scheme (IBPS) to create employment opportunities and dispersal of IT/ITES industry in small cities and towns by incentivize setting up of BPO/ITES operations by providing financial support up to Rs. 1 lakh per seat in the form of viability gap funding towards capital and operational expenditures with an outlay of Rs. 493 crore. The duration of the scheme was up to 31.03.2019 to invite new bids, however disbursement may continue beyond this duration. Till now, 233 BPO/ITES units have started operations under IBPS for a total of 45,592 seats providing direct employment to 40,134 persons. State-wise detail of job creation is at Annexure. The disbursement of financial support under the scheme is on reimbursement basis directly linked with the employment generation by the units. As of now, Rs. 44.4 crore have been disbursed/approved under IBPS.
