70. SHRI K.C. VENUGOPAL:
SHRI SANJAY SETH:

Will the Minister of JAL SHAKTI be pleased to state:

- (a) whether tap water supply increased fourfolds in Aspirational districts with households getting tap connection in just 22 months with the implementation of Jal Jeevan Mission;
- (b) if so, the details thereof alongwith number of Aspirational districts covered; and
- (c) whether Central Government has asked State to provide tap water on priority to all households in Aspirational districts and SC/ST majority villages and if so, the details thereof and the response of the State Governments thereto?

ANSWER

MINISTER OF STATE FOR JAL SHAKTI
(SHRI PRAHLAD SINGH PATEL)

(a) & (b) At the time of launch of Jal Jeevan Mission (JJM) on 15.08.2019, only 9.4% households in aspirational districts were having piped water connections, which has now increased to 33.6% as reported by States on JJM-IMIS. The details of coverage is **annexed**.

(c) Provisions have been made in the Operational Guidelines for the implementation of Jal Jeevan Mission to take up water supply work and provide tap water connections to households on priority inter alia which includes Aspirational districts and SC/ ST majority villages. Since powers to plan, approve and implement water supply schemes are vested with State Governments, they have been requested to accord priority to aspirational districts and SC/ ST majority villages.
