**ANSWER
THE MINISTER OF STATE OF THE MINISTRY OF AYURVEDA,
YOGA & NATUROPATHY, UNANI, SIDDHA AND HOMOEOPATHY
(SHRI MAHENDRABHAI MUNJAPARA)**

(a): As public health is a State subject, opening of integrated hospitals in different States/UTs of the country including Chhattisgarh comes under the respective State/UT Government's purview. However, under the Centrally Sponsored Scheme of National AYUSH Mission (NAM), there is a provision for financial assistance for setting up of up to 50-bedded integrated AYUSH Hospital. Under NAM, grant-in-aid is being provided to State/UT Governments as per the proposals submitted through State Annual Action Plans (SAAPs).

(b): As per the proposal received through SAAP during the year 2020-21, the State Government of Chhattisgarh has been supported to establish eight up to 50 bedded integrated AYUSH Hospitals at Janjgir Champa, Mahasamund, Korba, Kanker, Narayanpur, Bijapur and Dantewada Districts.

(c) & (d): Further, under the component of setting up of up to 50-bedded integrated AYUSH Hospital, provision has also been made for equipping the hospital with essential diagnostic facilities, drugs, equipment and furniture to provide Inpatient Department (IPD) facility.
