**ANSWER  
THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY  
WELFARE  
(DR. BHARATI PRAVIN PAWAR)**

(a) to (d): Under the Pradhan Mantri Swasthya Suraksha Yojana (PMSSY), there are two components viz. (i) Establishment of new All India Institute of Medical Sciences (AIIMS) and (ii) Upgradation of Government Medical Colleges (GMCs). So far setting up of 22 new AIIMS and 75 projects of upgradation of GMCs have been approved under the Scheme. Each Government Medical College upgradation project interalia involves setting up of Super Specialty Blocks with creation of Super Specialty Departments. A total of 500 super specialty Departments have been approved in the GMC upgradation projects taken up under PMSSY.

Out of 22 new AIIMS approved under PMSSY, 6 AIIMS at Bhopal, Bhubaneswar, Jodhpur, Patna, Raipur and Rishikesh are functional. Out of 75 GMC upgradation projects approved under PMSSY, 50 have been completed. Status in respect of the remaining projects is at Annexure-I.

All the 18 specialties envisioned for new AIIMS are functional in six functional AIIMS. Further, all the 17 super specialties are functional at Bhubaneswar, Jodhpur and Rishikesh. Details of specialty/super specialty Departments in the six functional AIIMS are at Annexure-II.

The sanctioned bed strength of the above six AIIMS is 960 beds each i.e. 5760 in total, out of which 5602 beds are operational in these AIIMS, including 900 beds in AIIMS, Bhubaneswar.
