SCHEMES TO PROCESS FARM PRODUCE

579. MS. SAROJ PANDEY:

Will the Minister of Food Processing Industries be pleased to state:

- (a) whether Government has designed any scheme for the farmers in rural areas to process their produce, increase the price of their products and to increase the income of the farmers;
- (b) if so, the details of such scheme and the number of farmers who benefited from it till date; and
- (c) if not, whether Government would propose to prepare such an action plan?

ANSWER

THE MINISTER OF STATE FOR FOOD PROCESSING INDUSTRIES
(SHRI PRAHLAD SINGH PATEL)

(a) to (c): The Ministry of Food Processing Industries (MoFPI) has been implementing Central Sector Umbrella Scheme - Pradhan Mantri Kisan SAMPADA Yojana (PMKSY) since 2016-17 for overall growth and development of food processing sector, including processing of agro- products and thus increasing the income of the farmers. The component schemes of PMKSY are - (i) Mega Food Park, (ii) Integrated Cold Chain and Value Addition Infrastructure, (iii) Creation /Expansion of Food Processing & Preservation Capacities, (iv) Infrastructure for Agro-Processing Clusters, (v) Creation of Backward & Forward linkages, (vi) Food Safety and Quality Assurance Infrastructure, (vii) Human Resource and Institutions, (viii) Operation Greens. Under component schemes of PMKSY, MoFPI provides mostly credit linked financial assistance (capital subsidy) in the form of grants-in-aid to entrepreneurs for setting up of food processing / preservation industries. So far, Ministry has approved 41 Mega food Parks, 353 Cold Chain projects, 63 Agro Processing Clusters, 292 Food Processing Units, 63 Creation of Backward & Forward Linkages Projects & 6 Operation Green projects across the country under corresponding component schemes of PMKSY. These sanctioned projects are estimated to benefit about 34 lakh farmers on completion. In the evaluation study of Integrated Cold Chain and Value Addition Infrastructure Scheme conducted by M/s NABARD Consultancy Limited (NABCONS) in Year 2020, it has been estimated that captive projects under the scheme have resulted in increase in farm-gate prices by 12.38 % and each project is estimated to benefit more than 9500 farmers.

Also, as part of the Aatmanirbhar Bharat Initiative, MoFPI is implementing a Centrally Sponsored Scheme-PM Formalisation of Micro Food Processing Enterprises Scheme (PMFME) for providing financial, technical and business support for setting up/upgradation of 2 lakh micro food processing enterprises through credit linked subsidy during five years from 2020-21 to 2024-25 with an outlay of Rs.10,000 crore.
