NATIONAL MEDICINAL PLANTS BOARD

802 SHRI RAMKUMAR VERMA:

Will the Minister of AYUSH be pleased to state:

- (a) whether the National Medicinal Plants Board (NMPB) has formulated any new scheme to boost the cultivation and production of medicinal plants and herbs in the country;
- (b) if so, the details thereof; and
- (c) the fresh steps taken by Government for development of quality planting material of medicinal plants and herbs in different agro-climatic zones?

ANSWER

**THE MINISTER OF STATE OF THE MINISTRY OF AYURVEDA,
YOGA & NATUROPATHY, UNANI, SIDDHA AND HOMOEOPATHY
(DR. MUNJPARA MAHENDRABHAI)**

(a): Yes, the Ministry of AYUSH has prepared a draft scheme namely “Pradhan Mantri VRIKSH AYUSH Yojana” for the promotion of Medicinal Plant Cultivation, Post-harvest management and Marketing support by involving farmers and the AYUSH industry.

(b): The Proposal has been submitted for the approval of the Cabinet.

(c): The National Medicinal Plants Board, Ministry of AYUSH is presently implementing Central Sector Scheme on Conservation, Development and Sustainable Management of Medicinal Plants under which there is a provision to provide project based financial support for establishing nursery and development of Quality Planting Material throughout the country. The State-wise number of projects supported for the development of Quality Planting Material from 2000 to 2021 is given at **Annexure-I**.

In addition, the National Medicinal Plants Board, Ministry of AYUSH through its Regional Cum Facilitation Centres (RCFCs) is also providing financial and technical assistance to farmers/other stakeholders for development of Quality Planting Material of medicinal plants and herbs in different States. The detail of Quality Planting Material of Medicinal plants species developed, the number of training organised and farmers trained through Regional Cum Facilitation Centre Projects of NMPB since inception of Regional Cum Facilitation Centres i.e from year 2017-18 to 2020-21 is given at **Annexure-II**.

NMPB has also signed MoU with National Botanical Research Institute-CSIR for the development of Quality Planting Material of medicinal plants and herbs.
