

GOVERNMENT OF INDIA
MINISTRY OF ELECTRONICS AND INFORMATION TECHNOLOGY
RAJYA SABHA
UNSTARRED QUESTION NO. 1189
TO BE ANSWERED ON 29.07.2021

AADHAAR CARD LINKAGES WITH VOTER ID CARDS

1189. SHRI BINOY VISWAM:

Will the Minister of ELECTRONICS AND INFORMATION TECHNOLOGY be pleased to state:

- (a) the documents/schemes etc which are linked to the Aadhaar Card at present and of these, which are mandatory;
- (b) whether Government has allowed for linking Aadhaar with Voter ID cards;
- (c) whether Government has not received any instructions from the Supreme Court regarding the issue of linking Aadhaar with Voter ID;
- (d) the steps that Government has taken to protect the data linked with Aadhaar; and
- (e) whether there have been any incidents of data leakage of Aadhaar since its inception, the details thereof?

ANSWER

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY
(SHRI RAJEEV CHANDRASEKHAR)

(a): Aadhaar authentication is allowed under following provisions of the Aadhaar (Targeted Delivery of Financial and Other Subsidies, Benefits and Services) Act, 2016:

- I. Section 7:** Under section 7 of the Aadhaar Act, the Central Government or the State Government may mandate requirement of Aadhaar of the beneficiaries as a proof of identification for availing any subsidy/benefit under the schemes expenditure on which are incurred from the Consolidated Fund of India or Consolidated Fund of State. As on 30th June 2021, a total of 312 schemes have been notified by various Central Ministries under section 7 (list is enclosed as **Annexure-I**).
- II.** There are several schemes/programmes where in Aadhaar is one of the means of identification and the choice of using Aadhaar is voluntary/ left to the resident.

i. Section 4(4)(b)(i): Permitted to offer Authentication Services under the provisions of any other Law made by Parliament. A list of illustrative use-cases is given below:

- a) Section 139AA of the Income-tax Act, 1961, as introduced by the Finance Act, 2017, provides for mandatory quoting of Aadhaar /Enrolment ID of Aadhaar application form, for filing of return of income and for making an application for allotment of Permanent Account Number with effect from 1st July, 2017.
- b) Section 142 of the Code on Social Security, 2020 provides for use of Aadhaar for establishing identity of an employee or unorganized worker or any other person for

registration as member or beneficiary for seeking benefit whether in kind, cash or medical sickness benefit or pension, gratuity or maternity benefit or any other benefit or withdrawal of fund or availing services of career centre or receiving any payment or medical attendance as Insured Person himself or for his dependents.

- c) Section 99B of the Customs Act, 1962 provides for authentication of a person whose verification is considered necessary for protecting the interest of revenue or for preventing smuggling.
- d) Section 25(6A), (6B) & (6C) of the Central Goods and Services Tax Act, 2017 provides for Aadhaar authentication of registered persons or for new registration under the said Act.

Further, such authentication for a purpose may be made mandatory by Parliament as per Section 4(7) of the Aadhaar Act, 2016.

ii. **Section 4(4)(b)(ii):** An entity may be allowed to perform authentication for such purpose, as the Central Government in consultation with the Authority, and in the interest of State, may prescribe. In this regard, the Aadhaar Authentication for Good Governance (Social Welfare, Innovation, Knowledge) Rules, 2020 were notified by Ministry of Electronics and Information Technology (MEITY) on 05.08.2020. A list of proposal received under aforementioned Rules from Central/ State Government Ministries/ Departments and approved by the MEITY is enclosed as **Annexure-II**. The Aadhaar authentication under Section 4(4)(b)(ii) is on voluntary basis only.

(b) and (c): Currently Voter ID is not linked to Aadhaar. It is informed that the Election Commission of India has sent a proposal regarding linking of Aadhaar with electoral roll to the Ministry of Law and Justice (Legislative Department) on the subject vide letter no.3/ER/2018/SDR dated 13th August 2019. Further, a letter bearing no. 3/EtT2021/SDR/Vol.II dated 17th June 2021 has been sent again to Ministry of Law and Justice.

(d): Aadhaar is based on three core principles of minimal information, optimal ignorance and federated database. In its whole lifecycle, an Aadhaar database contains only the information that the resident provides at the time of enrolment or updation. The database contains name, address, gender, date of birth/age, photograph and core biometrics (10 fingerprints and 2 iris scans) of the enrolled resident. The database may also have mobile and email, if provided by the resident, during enrolment or updation. As a matter of policy and by design, UIDAI precludes itself from aggregating information arising from the use of Aadhaar, tracking and profiling individuals, and the system by intent, is blind to the purpose for which Aadhaar may be used at the front end by the resident. Also, the core biometrics is encrypted at the time of enrolment/updation. It is never kept unencrypted and is never shared.

For security of Aadhaar data, UIDAI has a well-designed, multi-layer robust security system in place and the same is being constantly upgraded to maintain highest level of data security and integrity. The architecture of Aadhaar ecosystem has been designed to ensure data security and privacy which is an integral part of the system from the initial design to the final stage.

Various policies and procedures have been defined and are reviewed and updated continually thereby appropriately controlling and monitoring any movement of people, material and data in and out of UIDAI premises, particularly the data centres. UIDAI data is fully secured/ encrypted at all times i.e. at rest, in transit and in storage. For further strengthening of security and privacy of data, security audits are conducted on regular basis. The security assurance of Aadhaar ecosystem has been strengthened with enactment of the Aadhaar (Targeted Delivery of Financial and Other Subsidies, Benefits and Services) Act, 2016 and subsequently the Aadhaar and Other Laws (Amendment) Act, 2019 which has stringent penalties/punishments for offenders. In the above Act, Chapter VI on Protection of Information (Section 28 – Section 33) & Chapter VII on Offences and Penalties (Section 34 – Section 47) of the act, specifically relates to protection of information and related offences and penalties to offenders.

UIDAI has been declared ISO 27001:2013 certified with respect to information security which has added another layer of IT security assurance. In pursuance of sub-section (1) of Section 70 of the IT Act 2000, UIDAI has also been declared as Protected System by National Critical Information Infrastructure Protection Centre.

Further, UIDAI has also been declared ISO/IEC 29100:2011 (Information Technology – Security Techniques – Privacy Framework for Central Identities Data Repository (CIDR) and ISO/IEC 27701:2019 (Privacy Information Management System) certified by M/s BSI Group India Pvt Ltd.

(e): There has not been any instance of data leak from Aadhaar database (Central Identities Data Repository)/ UIDAI.

Rajya Sabha Unstarred Question no. 1189 reg “Aadhaar Card Linkages with Voter ID Cards” by Shri Binoy Viswam due for 29.7.2021

**List of Notifications issued under Section 7 of the Aadhaar Act, 2016
by Central Ministries/ Departments in r/o Central Schemes**

[Compiled from eGazette.nic.in]

[As on 30-6-2021]

[Summary: # Ministries/Departments= 48; # Notifications= 177; # Schemes covered under these notifications= 312]
