ANSWER

**MINISTER OF STATE FOR PETROLEUM AND NATURAL GAS
(SHRI RAMESWAR TELI)**

(a) to (b) Article 279A (5) of the Constitution provides that Goods and Services Tax Council shall recommend the date on which goods and services tax shall be levied on petroleum crude, high speed diesel, motor spirit, natural gas and aviation turbine fuel. Thus while, petroleum products are constitutionally included under GST, the date on which GST shall be levied on such goods, shall be as per the decision of the GST Council. As per the section 9(2) of the CGST Act, inclusion of all excluded petroleum products, including petrol and diesel in GST will require recommendation of the GST Council.

All the States and Union Territories (UT) with Legislature are represented in the GST Council by their Minister-in-charge of Finance or Taxation or any other Minister nominated by the State/UT.

(c) to (d) The taxes on fuel have been calibrated to generate resources for requirement of fiscal resources for infrastructure and other development expenditure.
