

GOVERNMENT OF INDIA
MINISTRY OF DEFENCE
DEPATRMENT OF MILITARY AFFAIRS
RAJYA SABHA
STARRED QUESTION NO.145
TO BE ANSWERED ON 2nd August, 2021

POSITIVE INDIGENISATION LIST

*145 SHRI B. LINGAIAH YADAV:

Will the Minister of Defence be pleased to state:

- (a) the details of notified negative import list, now renamed as the 'positive indigenization list' of 108 items that can now only be purchased from indigenous sources; and
- (b) the criteria adopted therefor?

ANSWER
MINISTER OF DEFENCE
SHRI RAJNATH SINGH

(a) & (b): A Statement is laid on the Table of the House.

STATEMENT REFERRED TO IN REPLY TO PARTS (a) & (b) OF RAJYA SABHA STARRED QUESTION NO. 145 FOR ANSWER ON 02.08.2021 REGARDING 'POSITIVE INDIGENISATION LIST'.

(a) Yes, Sir. Copy of the 2nd Positive Indigenisation List comprising 108 items is placed at **Appendix**.

- (b) (i) Positive Indigenisation List is a landmark initiative by the Government to support indigenisation and build a robust Defence industrial ecosystem within India. The lists are prepared after several rounds of consultations with various departments of the Ministry, Service Headquarters, DRDO, Defence Public Sector Undertakings and Private industry.
- (ii) The '2nd Positive Indigenisation List' comprising 108 items lays special focus on high end and complex Weapons/Sensors/Systems, which are currently under Development/Trials with indigenous defence manufacturers, and are likely to translate in to firm orders in the future. This inter-alia includes Design & Development (D&D) projects of Defence Research & Development Organisation (DRDO) and R&D projects steered by the Private Industries. This would assist in strengthening domestic R&D and manufacturing capabilities both in Public and Private Sectors.
- (iii) These Lists are also useful in apprising the Indian Defence industry about anticipated requirements of the Armed Forces so that they are better prepared to realise the goal of indigenisation.

**APPENDIX REFERRED TO IN REPLY TO PART (a) OF RAJYA SABHA
STARRED QUESTION NO. 145 FOR ANSWER ON 02.08.2021 REGARDING
'POSITIVE INDIGENISATION LIST'.**

Note. To maintain timelines for production, hand holding of Industry by the Defence Services will be encouraged. In the event the Domestic Industry is not able to supply equipment in the stipulated time frame/ quantity, or where there are inadequacies in the equipment affecting safety of troops, specific cases for import could be taken up to meet immediate requirement, based on the recommendations of Defence Indigenisation Committee. Items that have already been indigenised and successfully tried & tested by the Armed Forces would continue to be procured from the Domestic industry.
