(c) & (d) Pradhan Mantri Gram Sadak Yojna (PMGSY-I) is a one-time special intervention to provide rural connectivity, by way of a single all-weather road, to the eligible unconnected habitations of designated population size (500+ in plain areas and 250+ in North-Eastern States, Himalayan States and Himalayan Union Territories as per 2001 census) in the core network for uplifting the socio-economic condition of the rural population. The unit for this Programme is a Habitation and not a Revenue village or a Panchayat. A Habitation is a cluster of population, living in an area, the location of which does not change over time.

In the state of Assam, 13,747 habitations with population 250+ were found eligible under PMGSY. Till now, 13,655 habitations have been provided connectivity and the deadline for providing connectivity to the balance 92 habitations is March, 2022.
