PLI FOR MAN-MADE FIBRE AND ESTABLISHMENT OF 7 MORE TEXTILE PARKS

797. SHRI SAMBHAJI CHHATRAPATI:

Will the Minister of TEXTILES be pleased to state:

- (a) whether Government proposes to boost production and increases the share in export through Productivity Linked Incentive (PLI) scheme and setting up of 7 more textile parks in the country;
- (b) if so, the details thereof;
- (c) the places identified for setting up of new textile parks in the country and how much time it is likely to take them to begin their operation; and
- (d) whether the new textile parks would have all the facilities from yarn to garment production, including fabric and wet production within each of the new parks to be established?

ANSWER

THE MINISTER OF STATE FOR TEXTILES
(SMT. DARSHANA JARDOSH)

(a) & (b): The Government has approved Production Linked Incentive (PLI) Scheme for Textiles with a budgetary outlay of ₹10,683 crore for promotion of Man-Made Fibre(MMF) Apparel, MMF Fabrics and products of Technical Textiles. Incentives under the Scheme will be provided to the companies on achieving the threshold investment and threshold turnover/ incremental turnover.

With a view to attract investment, boost employment generation and position itself strongly in the global textile market, the Government has also approved setting up of 7 (Seven) PM Mega Integrated Textile Region and Apparel (PM MITRA) Parks in Greenfield/Brownfield sites with world class infrastructure including plug and play facility with an outlay of ₹ 4445 cr for a period of seven years upto 2027-28.

The salient features of PM MITRA park Scheme are:- (i) Willing state governments to have ready availability of contiguous and encumbrance-free land parcel of 1000+ acres for being eligible, (ii) It is envisaged to be on Public Private Partnership (PPP) mode, (iii) There is a provision of Development Capital Support (DCS) @30% of the project cost with a maximum support of ₹ 500 Cr and ₹200 Crore per park for Greenfield and Brownfield PM MITRA Park respectively. The DCS is for creation of core Infrastructure, (iv) There is provision of ₹ 300 Cr. per park for incentivizing the industries to set up their units in the park. There is a provision to use 10% of the park's area for Commercial Development (CD) and revenue stream from CD may help maintenance of common assets and facilities.

(c): The Scheme shall be implemented on pan-India basis. States of Tamil Nadu, Punjab, Odisha, Andhra Pradesh, Gujarat, Rajasthan, Assam, Karnataka, Madhya Pradesh and Telangana have expressed interest so far.

(d): PM MITRA park Scheme is intended for holistic development of textile sector. However, due priority will be given to Technical Textiles, Man-Made Fibre and textile machinery. World-class industrial infrastructure in PM MITRA Parks would attract cutting edge technology and boost FDI and local investment in the sector.
