ANSWER

MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE
(SHRI ASHWINI KUMAR CHOUBEY)

- (a),(b) &(c) No, Sir. As per the report received from Government of Jammu & Kashmir, total 2199 cases of illegal felling of trees were registered in 2020-21. Further, during the current year 1166 cases have been registered till October 2021. Suitable action is being taken by the Government of Jammu & Kashmir for reducing illegal felling of the trees.

Further, protection and management of trees is primarily the responsibility of State /Union Territory Governments. There are strong legal frameworks for protection and management of tree resources of the country which include the National Forest Policy,1988, Indian Forest Act, 1927, Forest (Conservation) Act, 1980, Wildlife (Protection) Act, 1972 and State Forest Acts/State Specific Tree Preservation Acts and Rules, etc. The State /UT Governments take appropriate action in accordance with the provisions made under these acts/ rules for regulating felling of trees.
