ANSWER

MINISTER OF STATE IN THE MINISTRY OF COOPERATION

(SHRI B.L. VERMA)

(a): Yes Sir.

(b) & (c): The Government has sought suggestions for formulation of new Co-operative Policy from various Ministries of Central Governments, State Governments, NABARD, National Cooperative Union of India (NCUI) and other major Co-operative Societies across the country. After this, the draft will be prepared after considering the suggestions. It is expected that the new policy is aligned to the Government's vision of "Sahkar se Samriddhi" (Prosperity through Cooperation).
