ANSWER

MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI NITYANAND RAI)

(a) to (d): The primary responsibility for disaster management rests with the State Governments concerned. The State Governments undertake relief measures in the wake of natural disasters from the State Disaster Response Fund (SDRF), already placed at their disposal, in accordance with Government of India's approved items and norms. Additional financial assistance is provided from National Disaster Response Fund (NDRF), as per laid down procedure in case of disaster of 'severe nature'.

RS.US.Q.NO.1986 FOR 15.12.2021

As per laid down procedure, a three-tier system is followed for calculation of additional financial assistance from NDRF. Firstly, an on-the-spot assessment is made by an Inter-Ministerial Central Team (IMCT), comprising of representatives of sectoral Ministries/ Departments, along with officials of the State concerned. The report of the IMCT is then considered by the Sub-Committee of National Executive Committee (SC-NEC) chaired by the Union Home Secretary and consisting of representatives of various Ministries concerned. Subsequently, the recommendations of SC-NEC are considered and approved by the High Level Committee (HLC) chaired by the Hon'ble Union Home Minister and consisting of the Union Finance Minister, Union Agriculture Minister and Vice-Chairman, NITI Aayog as Members. Funds are released from the NDRF after approval of the HLC.

State-wise details of demands received in this Ministry for additional relief from NDRF and funds approved and released by the Central Government from NDRF during the last three year are at the Annexure.

(e): There are institutional mechanisms at the National, State & district levels in the country to develop appropriate preparedness and prompt response mechanism for effective management of natural disasters. Central Government has established a robust early warning system and has significantly enhanced the accuracy of weather forecasts. Forecasting agencies are continuing their efforts for improvement of warning and dissemination systems vigorously.

RS.US.Q.NO.1986 FOR 15.12.2021

Mock exercises and community awareness programmes are being regularly conducted to educate people/ farmers at the time of natural calamities.

The measures taken by the Central and the State Governments have significantly improved disaster management practices, preparedness, prevention and response mechanism, resulting in significant reduction in casualties during the natural calamities in the country. Further, strengthening of the disaster management system is a continuing and evolving process of governance.
