- (a) Ministry of Skill Development and Entrepreneurship (MSDE) has launched Aatmanirbhar Skilled Employees Employer Mapping (ASEEM) portal, which acts as a directory of skilled workforce. The objective is to provide a platform that matches supply of skilled workforce with the market demand, thereby facilitating better livelihood opportunities for youth and availability of ready skilled manpower to employers. ASEEM portal is being managed by National Skill Development Corporation (NSDC) under the aegis of Ministry. Till now, 1.3 crore candidates have been registered on ASEEM portal.
- (b) Till now, around 56 thousand candidates have been placed through ASEEM portal across the country including 15 candidates from the State of Odisha.
- (c) On ASEEM Portal, a total demand of around 21.79 lakh has been aggregated nationally with the highest aggregation in the Logistics sector which is around 26%. In the State of Odisha, total demand of around 17 thousand has been aggregated on ASEEM with the highest aggregation in Retail sector which is around 32%.
- (d) The ASEEM Portal provides a platform that matches supply of skilled workforce with the market demand, thereby facilitating better livelihood opportunities for youth and availability of ready skilled manpower to employers.
