- (b) if so, the details of crop loss assessed thereof along with the funds released, State-wise including Maharashtra and Andhra Pradesh; and
- (c) the other steps taken by Government to cover the loss of life, property and livestock suffered by farmers?

ANSWER

MINISTER OF AGRICULTURE AND FARMERS WELFARE
(SHRI NARENDRA SINGH TOMAR)

(a) to (c): The State Government is primarily responsible for providing necessary relief measures in the wake of natural calamities. For undertaking relief measures, funds are available with the State Government in the form of State Disaster Response Fund (SDRF). Under SDRF, the Government of India contributes 90% to Hilly States and 75% to other States. The balance 10% for Hilly and 25% for other States is contributed by the respective State Governments. Additional financial assistance, over and above SDRF, is considered from National Disaster Response Fund (NDRF) for natural calamities of severe nature and is approved on the basis of Memorandum received from the State Government, in accordance with established procedures. The assistance approved under SDRF/NDRF norms is provided in the form of relief and covers loss of crops, life, property, livestock etc., as per the existing norms. State-wise details of release from SDRF/NDRF during 2021-22 (As on 25.11.2021) are given at Annexure-I. Further, details of the agriculture/horticulture area reported to have been affected due to notified natural calamities during 2021-22 (Provisional - As on 25.11.2021) are at Annexure-II.

Annexure-I referred to in reply to parts (a) to (c) of the Rajya Sabha Unstarred Question No.2244 due for answer on 17.12.2021
