ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE

(DR. BHARATI PRAVIN PAWAR)

- (a): No such proposal is under consideration under the National Health Mission (NHM). Further, Public Health & Hospitals, being a State subject, primary responsibility to strengthen public health infrastructure lies with the respective State Government. The Central Government, however, provides technical and financial support under National Health Mission (NHM) to the States for improving their primary and secondary level healthcare infrastructure i.e. up to District Hospital, based on proposals received from respective States through Programme Implementation Plans (PIPs).
- (b) & (c): Upgradation of Government Medical Colleges (GMCs) is one of the components under the Pradhan Mantri Swasthya Suraksha Yojana (PMSSY). So far 75 projects of upgradation of GMCs have been approved under the Scheme. Upgradation of GMCs under PMSSY broadly involves construction of Super Speciality Block (SSB) and/or Trauma Centre / or other facilities and/or procurement of medical equipment. The details of medical colleges and institutes approved for upgradation, State/UT-wise including Odisha along with approved infrastructure in such Institutes are at Annexure.
