GOVERNMENT OF INDIA  
MINISTRY OF NEW AND RENEWABLE ENERGY  
**RAJYA SABHA**  
**UNSTARRED QUESTION NO-306**  
ANSWERED ON-30/11/2021

**MEGA ENERGY PARKS IN SEVEN STATES**

306. SHRI DEREK O' BRIEN

Will the Minister of NEW AND RENEWABLE ENERGY be pleased to state:

- (a) the timeline that Government has decided upon to complete mega energy parks in seven States;
- (b) the capacity of each individual project;
- (c) whether the Ministry has taken into consideration the environmental costs and trade-offs for renewable energy; and
- (d) whether an environmental impact assessment will be conducted for these projects, if so, the details thereof?

**ANSWER**

**THE MINISTER OF NEW & RENEWABLE ENERGY AND POWER**

**(SHRI R.K. SINGH)**

(a) The timeline for completion of solar parks in all States under the scheme for “Development of Solar Parks and Ultra Mega Solar Power Projects” is March, 2024.

(b) The State-wise details of Solar Parks sanctioned along with their capacity are given in **Annexure**.

(c)&(d) Renewable Energy projects lead to reduction of CO<sub>2</sub> emissions @ 1800 metric tones per MW every year. Solar and Wind Power projects are beneficial for environment and so they are not covered under the ambit of Environmental Impact Assessment (EIA) Notification, 2006 & as such they do not require prior environmental clearance. Hydro-electric projects less than 25 MW, Thermal Power Plants upto 15 MW based on Biomass, or non-hazardous municipal solid waste using auxiliary fuel such as coal, lignite/petroleum products upto 15% and Thermal power plants using waste heat boilers without any auxiliary fuel are exempted from the requirement of prior environmental clearance.
