MAIN TENANCE TENDER FOR M.P. FLATS**

(a) to (d) Electrical items including lifts of newly constructed flats for Hon'ble Members of Parliament namely Ganga, Yamuna and Saraswati are under defect liability till February 2022. Comprehensive tenders for civil/electrical maintenance/operation are awarded after the defect liability period. During the intervening period, for running of the day to day operations, short duration contracts have been awarded. This does not have any security implication as all requisite security norms are being followed. Remuneration of workers is as per standards determined by the Government.
