- (d) whether there are any changes being anticipated in agricultural foreign trade policy to boost export of agricultural products?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SMT. ANUPRIYA PATEL)

- (a) Sanitary and phytosanitary measures, to which the agricultural products meant for exports are subjected to, are country-specific, based on the SPS agreement of WTO, Codex guidelines or specific requirements of the importing countries. However, mandatory pre-shipment inspection and certification is required for the products notified under the Export (Quality Control and Inspection) Act, 1963. At present, the notified products, requiring mandatory certification, are Fish & Fishery products, Milk & Milk products, Egg & Egg products, Honey, Poultry meat products, Animal casings, Feed additives & Pre-mixtures, Basmati Rice, Fruit & Vegetable Products, Crushed bones, Ossein and Gelatine (CBOG) and Peanut & Peanut Products.
- (b) Details of agriculture products exported during 2020-21 are at Annexure-I. Country-wise details of such exports are at Annexure-II.
- (c) Till now, India has signed 12 Free Trade Agreements (FTAs) and 6 Preferential Trade Agreements (PTAs) with its trading partners for enhanced market access for Indian products, including agricultural products.
