- (c) the amount of funds spent so far and by when the work is likely to be completed; and
- (d) the number of students along with their subjects targeted to be trained through the said institutes every year and by when the training is likely to be commenced?

**ANSWER**

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY  
(SHRI RAJEEV CHANDRASEKHAR)

(a): National Institute of Electronics & Information Technology (NIELIT), an Autonomous Scientific Society under the administrative control of Ministry of Electronics & Information Technology (MeitY) was set up to carry out Human Resource Development and related activities in the area of Information, Electronics & Communications Technology (IECT). MeitY is setting up two permanent campuses of NIELIT at Buxar and Muzaffarpur. For this purpose, the Government of Bihar has provided 1 Acre land at each locations viz. ITI Campus Buxar and at Muzaffarpur Institute Technology (MIT) Campus, Muzaffarpur.

(b): The total budget outlay for the NIELIT Buxar Centre and Muzaffarpur Centre is Rs. 9.304 crore each.

(c): So far, an amount of Rs. 5.12 crore has been spent for NIELIT Buxar and Rs. 5.02 crore for NIELIT Muzaffarpur respectively. The construction work at the both locations is likely to be completed by April 2022.

(d): The year-wise number of students along with their subjects targeted to be trained through these Centres may be seen at **Annexure**.

The training has been started in blended mode using the accredited Centres and so far, 737 candidates have been trained under the NIELIT Buxar Project and 698 candidates have been

trained under NIELIT Muzaffarpur Project. Physical training would start in the second quarter of FY 2022-23 from the permanent Campuses at Buxar and Muzaffarpur upon completion of construction works.
