ANSWER

MINISTER OF RAILWAYS, COMMUNICATIONS AND
ELECTRONICS & INFORMATION TECHNOLOGY

(SHRI ASHWINI VAISHNAW)

(a) to (c): Rangiya Railway Station is a Non Suburban Grade-3 (NSG-3) category station. All minimum essential amenities have been provided at the station as per railway norms. Further upgradation / modernization of stations on Indian Railways is a continuous and on-going process and priority is accorded to higher category of stations over lower category of stations while sanctioning and executing the works depending upon need, volume of passenger traffic and availability of funds.

There is no vacant railway land available in Rangiya for development of Sports Stadium.
