ANSWER

MINISTER OF LAW AND JUSTICE

(SHRI KIREN RIJJU)

(a): As per data available, cases by and against Central Government and State Governments, filed in various courts have on an average, increased over the years but not manifold.

(b) & (c): The information is available for Supreme Court of India and 14 High Courts, which is as per **Annexure-I**.

(d) : As regards Judicial Officers in subordinate courts are concerned they do not argue cases but adjudicate them. Further, their selection and appointment is the responsibility of the High Courts and State Governments concerned, which is done through recruitment/promotion as envisaged in the concerned state judicial service rules. As regards, the vacancies of Government Pleaders / Public Prosecutors are concerned, they are filled up by the State Governments through recruitment as and when required. In addition to this, Central Government engages sufficient number of Government Pleaders for pleading/defending in matters pertaining to Union of India litigations. The number of Panel Counsels engaged in Supreme Court and various High Courts as on 30.03.2022 is as per **Annexure-II**. Besides, Central Government appoints/engages Public Prosecutors/ Special Public Prosecutors for conducting cases of Ministry of Home Affairs, CBI, Department of Revenue etc. as and when required.

(e): Disposal of pending cases in courts is within the domain of the judiciary. No time frame has been prescribed for disposal of various kinds of cases by the respective courts. Government has no role in disposal of cases in courts. Timely disposal of cases in courts depends on several factors which, inter-alia, include availability of adequate number of judges and judicial officers, supporting court staff and physical infrastructure, complexity of facts involved, nature of evidence, co-operation of stake holders viz. bar, investigation agencies, witnesses and litigants and proper application of rules and procedures.
