

GOVERNMENT OF INDIA  
MINISTRY OF STEEL

**RAJYA SABHA**  
**UNSTARRED QUESTION NO.3675**  
FOR ANSWER ON 04/04/2022

**PRODUCTION OF STEEL**

3675. SHRI NEERAJ DANGI:

Will the Minister of STEEL be pleased to state:

- (a) the details of the units engaged in mining and production of steel at present in the country along with the production capacity thereof;
- (b) the details of the location where Governmental and non-Governmental units are producing steel, State-wise; and
- (c) the details of the steps taken by Government to improve and increase the steel production?

**ANSWER**

THE MINISTER OF STEEL

(SHRI RAM CHANDRA PRASAD SINGH)

(a)&(b): The details of units engaged in steel production at present, both in Public and Private Sector along with the production capacity thereof is enclosed at **Annexure**. As per Indian Mineral Year book, 2019 published by Indian Bureau of Mines, there were 254 reporting mines in 2018-19, out of which 35 mines were in the Public Sector and 219 in Private Sector.

(c) Steel is a deregulated sector and the role of the Government is that of a facilitator. Decision regarding the increase of the steel production is taken by individual company (both private and public sector) based on market dynamics. The following steps have been taken by the Government to increase steel production in the country:-

- (i) Notification of Domestically Manufactured Iron & Steel Products (DMI&SP) Policy for promoting procurement of Made in India steel.
- (ii) Notification of Steel Scrap Recycling Policy to enhance the availability of domestically generated scrap.
- (iii) Issuance of Steel Quality Control Orders to stop manufacturing and import of non-standardized steel.
- (iv) Production-Linked Incentive (PLI) Scheme for Specialty Steel with an outlay of ₹6,322 crores.
- (v) Establishment of Project Development Cell in the Ministry to attract and facilitate investment in the steel sector.
