

GOVERNMENT OF INDIA
MINISTRY OF NEW AND RENEWABLE ENERGY
RAJYA SABHA
UNSTARRED QUESTION NO. 3738
ANSWERED ON 05.04.2022

SURYA MITRA PROGRAMME

3738. SHRI NEERAJ SHEKHAR

Will the Minister of **NEW AND RENEWABLE ENERGY** be pleased to state:

- (a) the number of workers trained under “Surya Mitra” training program to be employed as clean energy workers during last five years, year-wise and State-wise;
- (b) the number of persons employed in the new and renewable energy sector as on date, State-wise;
- (c) the number of persons employed in the above sector during 2019, 2020 and 2021, year-wise and State-wise; and
- (d) the fresh efforts taken to expand the new and renewable energy in the country?

ANSWER

THE MINISTER OF NEW & RENEWABLE ENERGY AND POWER

(SHRI R.K. SINGH)

(a) A total of 50,806 number of Suryamitras were trained from FY 2015-16 to February, 2022 under Suryamitra Skill Development Programme implemented by Ministry of New and Renewable Energy. The year-wise and state-wise details of Suryamitras trained from FY 2015-16 to February, 2022 are given in **Annexure-1**.

(b) & (c) Ministry of New and Renewable Energy has not carried out any study to estimate the number of persons employed in the renewable energy sector. However, as per the report “India’s Expanding Clean Energy Workforce: Opportunities in the Solar and Wind Energy Sectors” brought out in January 2022 by Council on Energy, Environment and Water, Natural Resources Defence Council and Skill Council for Green Jobs, the cumulative 81 GW renewable energy capacity addition had created an estimated 1,11,400 ‘Full Time Equivalent’ employment in solar and wind energy projects as of August 2021.

Under the Suryamitra Skill Development Programme of the Ministry implemented for developing skilled work force for solar PV projects, a cumulative number of 26,587 Suryamitras gained employment out of the 50,806 number of Suryamitras trained cumulatively from the inception of the programme i.e FY 2015-16 to February, 2022. The state-wise details of employment are given in **Annexure-2**.

A total 16,013 number of Suryamitras gained employment during FY 2018-19, 2019-20 and 2020-21. Year-wise and state-wise details are given in **Annexure-3**.

(d) The Government has taken several steps to promote renewable energy in the country. These include:

- permitting Foreign Direct Investment (FDI) up to 100 percent under the automatic route,

- waiver of Inter State Transmission System (ISTS) charges for inter-state sale of solar and wind power for projects to be commissioned by 30th June 2025,
- declaration of trajectory for Renewable Purchase Obligation (RPO) up to the year 2022,
- setting up of Ultra Mega Renewable Energy Parks to provide land and transmission to RE developers on a plug and play basis,
- schemes such as Pradhan Mantri Kisan Urja Suraksha evam Utthaan Mahabhiyan (PM-KUSUM), Solar Rooftop Phase II, 12000 MW CPSU Scheme Phase II, etc.,
- laying of new transmission lines and creating new sub-station capacity under the Green Energy Corridor Scheme for evacuation of renewable power,
- setting up of Project Development Cell for attracting and facilitating investments,
- Standard Bidding Guidelines for tariff based competitive bidding process for procurement of Power from Grid Connected Solar PV and Wind Projects.
- Government has issued orders that power shall be dispatched against Letter of Credit (LC) or advance payment to ensure timely payment by distribution licensees to RE generators.

Annexure - I

Annexure in reply to the Rajya Sabha Unstarred Question No.3738 (Suryamitra Programme), part – (a) to be answered on 05.04.2022.

State wise and year wise numbers of Suryamitras trained during the period 2015-16 to 2021-2022 (as on 28.02.2022)
