ANSWER

**MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS
(SHRI NITYANAND RAI)**

(a) to (c): Yes Sir. Government has approved Modernization Plan-IV for Central Armed Police Forces (CAPFs), including Central Reserve Police Force (CRPF), with a total financial outlay of ₹ 1523 crore, in continuation of Modernization Plan-III, till 31.03.2026. Out of this amount, CRPF has been allocated ₹ 484.58 crore under this scheme.

Through this plan, CAPFs will be further equipped with the latest weapons, surveillance and communication equipment, specialized vehicles, protective gears etc. to enable them to perform important tasks such as guarding the

borders and maintaining internal security. This plan would bridge the gap between the existing inventory/technology held by CAPFs and the latest appropriate state of the art technology in view of the current security scenario across the country.

Fund allocation to CAPFs is done on yearly basis. CAPF wise fund allocation for the financial year 2022-23 under this scheme is as under:

(₹ in Crore)

Central Reserve Police Force	Border Security Force	Indo Tibetan Border Police	Assam Rifles	Sashastra Seema Bal	Central Industrial Security Force	National security Guard	Total
82.00	40.00	3.00	38.56	20.50	30.96	33.28	248.30

(d) Reliable communication systems, operational surveillance equipment, training equipment, riot control equipment and strengthening Information Technology (IT) infrastructure are the major categories of modern equipment which have been approved for procurement by CAPFs under this scheme.
