

**GOVERNMENT OF INDIA  
MINISTRY OF HEALTH AND FAMILY WELFARE  
DEPARTMENT OF HEALTH AND FAMILY WELFARE**

**RAJYA SABHA  
UNSTARRED QUESTION No-3781  
TO BE ANSWERED ON 05.04.2022**

**NATIONAL DIGITAL HEALTH MISSION**

**3781 Shri K.R.N. RAJESH KUMAR:**

Will the Minister of **HEALTH and FAMILY WELFARE** be pleased to state:

- (a) the status of implementation of the National Digital Health Mission, along with the details of people registered and those who have received Health ID under the National Digital Health Mission (NDHM) Scheme, State-wise;
- (b) the amount spent under NDHM Scheme during the said period, State-wise;
- (c) whether the Ministry has started any awareness campaign to make people aware of the benefits of the NDHM Scheme, and if so, the details thereof, and if not, the reasons therefor; and
- (d) whether Government proposes to expand NDHM across all the States, if so, the timeline set by Government for the same?

**ANSWER  
THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY  
WELFARE  
(DR. BHARATI PRAVIN PAWAR)**

(a) to (d): The National Digital Health Mission (now known as Ayushman Bharat Digital Mission-ABDM) was launched as a pilot on 15<sup>th</sup> August 2020 in six Union Territories—Andaman & Nicobar, Chandigarh, Dadra & Nagar Haveli and Daman & Diu, Ladakh, Lakshadweep and Puducherry. Its aim is to establish a National Digital Health Ecosystem by creating an online platform enabling interoperability of health data within the health ecosystem to create longitudinal electronic health record of citizens & facilitate delivery of health services through this Digital Health Ecosystem.

Three key registries of NDHM namely Health ID, Health Professional Registry (HPR), Health Facility Registry (HFR) and digital infrastructure for data exchange have been developed and implemented in these UTs. On 27<sup>th</sup> September 2021, the national rollout of the ABDM has been announced. As on date, Rs 45 Cr has been released to National Health Authority (NHA) for implementation of ABDM.

Till 28th March 2022, a total of 20,97,55,222 Health IDs (ABHA Number) have been created in the country. The detail of state wise Health IDs (ABHAs) created is at Annexure.

As implementing agency, National Health Authority (NHA) has initiated awareness campaigns in healthcare facilities through IEC materials. As part of outreach activities, multiple SMS campaigns have been launched and webinars with doctors have been organized to raise awareness and increase participation in ABDM.

State	Health ID Created
Andaman And Nicobar Islands	416843
Andhra Pradesh	16454665
