

**GOVERNMENT OF INDIA
MINISTRY OF HEALTH AND FAMILY WELFARE
DEPARTMENT OF HEALTH AND FAMILY WELFARE**

**RAJYA SABHA
UNSTARRED QUESTION NO. 3787
TO BE ANSWERED ON 5th APRIL, 2022**

PUBLIC HEALTH SYSTEM

3787 SHRI BINOY VISWAM :

Will the Minister of **HEALTH AND FAMILY WELFARE** be pleased to state:

- (a) the number of Primary Health Centers, Community Health Centers, Sub-District/Divisional Hospitals (SDHs), District Hospitals (DHs) and Central Government run hospitals in the country, State/UT-wise as uploaded by the State/UTs on the HMIS portal of the Ministry;
- (b) the total number of doctors, nurses, health workers and allied health professionals employed in these medical establishments and for Central Government operated medical establishments, State-wise;
- (c) the total number of vacancies in these medical establishments, State-wise and for Central Government operated medical establishments; and
- (d) the steps taken to improve the number and quality of medical professionals in the public health system?

ANSWER

**THE MINISTER OF STATE IN THE MINISTRY OF HEALTH & FAMILY WELFARE
(DR. BHARATI PRAVIN PAWAR)**

(a): As per Rural Health Statistics (RHS), 2019-20 report published by the Ministry of Health & Family Welfare (MoH&FW), State/UT-wise number of Primary Health Centers (PHCs), Community Health Centers (CHCs), Sub-District/Divisional Hospitals(SDHs) and District Hospitals (DHs) including Central Government Hospitals is given at **Annexure-I**.

(b) & (c): As per Rural Health Statistics (RHS) 2019-20, State/UT wise details of availability of doctors, nurses, health workers and other health professionals and shortage thereof, as reported by the States/UTs, are given at **Annexure-II**.

(d): Public Health and Hospitals is a State Subject and all the administrative and personnel matters, including support for outsourcing or engagement of doctors and other health human resources lies with the respective State Government/UT Administration. Further, under NHM, Government of India provides financial and technical support to States/UTs to strengthen their healthcare systems including support for recruitment of doctors and other health professionals on contractual basis, based on the requirements posed by them in their Programme Implementation Plans (PIPs) within their overall resource envelope.

The Government of India has taken number of initiatives in the form of incentives and honorarium to the health professionals for ensuring better service delivery in rural and remote areas in the country, which include:

- Hard area allowances and special packages are provided to attract health professionals, especially medical officers and specialists, to remote and difficult areas.
- Special incentives for doctors, incentive for Auxiliary Nurse Midwife (ANM) for ensuring timely Ante Natal Care (ANC) check-up and recording, incentives for conducting Adolescent Reproductive and Sexual Health activities.
- Non-Monetary incentives such as preferential admission in post graduate courses for staff serving in difficult areas and improving accommodation arrangement in rural areas have also been introduced under NHM.
- Multi-skilling of doctors is supported under NHM to overcome the shortage of specialists. Skill upgradation of existing HR is another major strategy under National Rural Health Mission (NRHM) for achieving improvement in health outcomes.

State/ UT wise number of PHCs, CHCs, SDHs & DHs (including Central Government Hospitals) as reported by States/UTs
