ANSWER

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(SADHVI NIRANJAN JYOTI)

(a) & (b) The Hon'ble Members of Parliament have adopted 15 Gram Panchayats (GPs) under the first phase (2014-16) of Saansad Adarsh Gram Yojana (SAGY) in Haryana. The status of these GPs and works done in these GPs is given in **Annexure-I**. At the national level, a separate web-based MIS is available at SAGY website (<http://saanjhi.gov.in>). The status of construction of immovable assets in these Gram Panchayats as per the information uploaded by States/UTs on SAGY portal (<http://saanjhi.gov.in>) is given in **Annexure-II**. This MIS monitors the progress of identification of Gram Panchayats under SAGY, preparation of Village Development Plan (VDP) and its uploading on the website, the number of projects planned in the VDP and the progress of implementation of VDP in terms of completion of the projects.

(c) The details of assets created under CSR during the first and second phases of the yojana, State Wise and village-wise as per the information uploaded by States/UTs on SAGY portal, is given in **Annexure-III**. SAGY is a scheme based on convergence of existing schemes and has no dedicated fund of its own. Expenditure incurred to complete the activities proposed under VDP under different State and Central schemes are not available in the MIS.

(d) Yes Sir. The detailed directions to the State Governments and the steps taken by Government of India to extend works in SAGY GPs are given in **Annexure-IV**.
