ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

(a) to (e) The construction of four lane road from the border of Karnataka to Gutti in Andhra Pradesh has already been commenced on 06.05.2016 and was scheduled to be completed on 05.05.2018. The present physical progress of this work is 80.1%. However, due to reasons such as delay in Land Acquisition, Covid-19 pandemic, delay in railway clearance etc., the project could not be completed within the scheduled completion date. Project is likely to be completed by 31st December 2022. There is no cost overrun in the project.
