643# SHRI RAM CHANDER JANGRA:

Will the Minister of **AYUSH** be pleased to state:

- (a) the number of new AYUSH hospitals sanctioned to be constructed in Haryana during last three years;
- (b) the number of sanctioned hospitals where construction work has been started and the ones where it remains to be started, the details thereof; and
- (c) the timeline fixed for the completion of construction of sanctioned hospitals and the details thereof?

**ANSWER
THE MINISTER OF AYUSH
(SHRI SARBANANDA SONOWAL)**

(a) to (c) Under Centrally Sponsored Scheme of National AYUSH Mission, Ministry of Ayush has approved one 50 bedded Integrated AYUSH Hospital at Hisar as per the proposal received from State Government of Haryana in the State Annual Action Plan (SAAP). The construction work has already been started. However, as implementation of the Scheme comes under the purview of respective State Government; no specific timeline has been fixed by Government of India for completion of construction of sanctioned hospital. Further, construction work of National Institute of Ayurveda, Panchkula (Haryana) with an attached hospital has been started which is a satellite Institute of National Institute of Ayurveda, Jaipur.
