Cond....2/

Regarding CSR data for the financial year 2020-21, it is informed that the companies are required to hold Annual General Meeting (AGM) within six months from the end of financial year. Thereafter, financial statements and board report containing disclosure about CSR, are to be filed in MCA21 within 30 days of the AGM. In view of the disruption caused by COVID-19 pandemic, Registrars of Companies had accorded extension of time till 30th November, 2021 for conduct of AGMs by companies. The Ministry vide General Circular No. 22/2021 dated 29.12.2021 has relaxed the levy of additional fees till 15.02.2022 for filing of financial statement in respect of the financial year 2020-21. Further, financial statements for the ongoing financial year 2021-22 are required to be filed only after the end of financial year.

- (b) & (c): Section 135 of the Act read with Rule 4 of the Companies (CSR Policy) Rules, 2014 prescribes that the Board of the company is empowered to undertake CSR activities either by itself or through engaging an implementing agency, namely:
  - i). a company established under section 8 of the Act, or a registered public trust or a registered society, registered under section 12A and 80 G of the Income Tax Act, 1961 (43 of 1961), established by the company, either singly or along with any other company, or
  - ii). a company established under section 8 of the Act or a registered trust or a registered society, established by the Central Government or State Government; or
  - iii). any entity established under an Act of Parliament or a State legislature; or
  - iv). a company established under section 8 of the Act, or a registered public trust or a registered society, registered under section 12A and 80G of the Income Tax Act, 1961, and having an established track record of at least three years in undertaking similar activities.
- (d): Under the Act, CSR is a Board driven process and the Board of the company is empowered to plan, decide, execute and monitor CSR activities based on the recommendations of its CSR Committee. The CSR framework is disclosure based and companies are required to file details of CSR activities annually in the MCA21 registry. The CSR mandated companies are required to provide additional information in their Profit & Loss Account regarding the amount of expenditure incurred on CSR activities and the same is required to be audited by the statutory auditors of the company. Further, the Board of the company is also required to disclose the CSR Policy implemented by the company in its Board report. Thus, the corporate governance framework along with the existing legal provisions such as mandatory disclosures, accountability of the CSR Committee and the Board, provisions for statutory audit of accounts of the company etc. provide adequate scope to review the works done by them.
