ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY (SHRI SOM PARKASH)

(a) to (e): The details of cement units located in the country, as per information available within this Department, including in Rajasthan, are listed at ANNEXURE.

Details of units located in backward and rural areas, State-wise production or number of people employed in cement plants are not maintained centrally.

Total cement production in the country, during last three years is as under:

Financial Year	Cement Production (in Million tons)
2018-19	337.32
2019-20	334.37
2020-21	299.94
2021-22 (upto December 2021)	255.99

Cement Industry has been de-controlled in 1989 and de-licensed in 1991 under the policy of economic liberalization. Consequent to the policy of economic liberalization, investment decisions have been left to the commercial judgement of the entrepreneurs regarding set up of a cement plant.
