ANSWER

**MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS
(SHRI NISITH PRAMANIK)**

(a) & (b): Comprehensive Integrated Border Management System (CIBMS) has been installed as pilot project in two stretches on Jammu international border for approx. 5 Kms each and one project in Dhubri (Assam) for 61 Kms. is in final stage of completion.

(c) & (d) Comprehensive Integrated Border Management System has been established in addition to conventional domination by the Border Guarding Force. The attempts of illegal entry/crossing of border were successfully thwarted on borders covered by Comprehensive Integrated Border Management System during last two years. The CIBMS is functioning well as per the requirement of the Border Security Force.
