ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SMT. ANUPRIYA PATEL)

(a): Yes, Sir. Krishna and Chittoor districts of Andhra Pradesh have been identified as potential export hubs for mango under the District as Export Hubs initiative of the Department of Commerce.

(b) & (c) : Country-wise details of quantity of mangoes exported from Krishna and Chittoor districts, during 2021-22 and the current year, are at Annexure. District-wise data prior to 2021-22 is not available. Efforts have been made to consolidate mango exports to various countries. Specific mango promotion programmes have been organized in Bahrain, Denmark, Japan, Kuwait, UAE, USA, Bhutan, Saudi Arabia, Belgium and Germany during the Mango season 2022.

(d): The Department of Commerce has been coordinating with the Ministry of Agriculture & Farmers Welfare (MoA&FW) and other stakeholders to improve quality and promote export of mangoes. Pre-harvest manuals for production of mangoes and post-harvest manuals for handling of mangoes for export have been developed in association with the Indian Council of Agriculture Research (ICAR) institutions and the Fruits and Vegetables Exporters Association. These manuals are facilitating the growers, exporters and traders in maintaining the basic quality and safety requirements for exports. The Agricultural and Processed Food Products Export Development Authority (APEDA)'s export promotion activities in the clusters also have been aligned with the Horticulture Cluster Development under the Mission for Integrated Development of Horticulture (MIDH) of MoA&FW and the One District One Product (ODOP) scheme of the Ministry of Food Processing Industries.
