**ANSWER  
THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY  
WELFARE  
(DR. BHARATI PRAVIN PAWAR)**

(a): Ministry of Health and Family Welfare provides technical and financial support to the States/UTs to strengthen the public healthcare delivery at public healthcare facilities. Under National Health Mission (NHM), the Central Government receives proposals from respective States/UTs in their Programme Implementation Plan (PIPs). The proposals are appraised in National Programme Coordination Committee (NPCC) meetings and approvals are accorded to States/ UTs in the form of Record of Proceedings (RoPs). The State PIPs are envisaged to be an aggregate of the district/city health action plans, and include activities to be carried out at the state level. The District specific RoPs are released and implemented by respective States/ UTs. Central share under NHM is released to the respective States, which in turn releases to the Districts.

The proposal for upgradation of Rasipuram Government General Hospital to the level of District Headquarters Hospital has been received under State's Project Implementation Plan for the year 2022-24.

(b) and (c): State Government of Tamil Nadu requested a total of Rs 6650.00 lakhs for the upgradation of Rasipuram Government General Hospital as District Headquarters Hospital.

In the Record of Proceedings (ROP) 2022-24 issued for the State of Tamil Nadu, the Ministry of Health & Family Welfare has given in principle approval for Rs. 6650.00 lakhs for the upgradation of Rasipuram Government General Hospital. Rs 1995.00 lakhs and Rs 1662.50

lakhs are approved for release for FY 2022-23 and FY 2023-24 respectively, as proposed by the State.
