ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

(a) to (e) The details and the length of National Highways (NHs) in Maharashtra State including Amravati district are Annexed.

Some projects have been delayed due to land acquisition, utility shifting, non-availability of soil/aggregate, poor performance of contractors, environment/forest/wildlife clearances, ROB & RUB issues with Railways, public agitation for additional facilities, arbitration/contractual disputes with contractors, delay due to Covid pandemic etc. To fast-track these projects, various steps such as streamlining of Land Acquisition & Environment Clearances, premium re-scheduling, close coordination with other Ministries, revamping of dispute resolution mechanism, frequent review meetings with project developers, State Governments and contractors at various levels etc. have been taken up.

The Morshi-Chandurbajar-Achalpur project on NH-353J and Nandgaon Peth-Morshi-Warud-Pandhurna project on NH-53 have been substantially completed and Provisional Completion Certificate issued on 15.12.2020 and 07.11.2019 respectively.
