MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS
(SHRI RAMESWAR TELI)

(a) & (b): Providing PNG domestic connections and establishment of CNG stations is part of development of City Gas Distribution (CGD) Networks and the same is being carried out by the entities authorized by Petroleum and Natural Gas Regulatory Board (PNGRB). After completion of 11 A CGD Bidding round, 295 Geographical Areas (GAs) covering about 98% of the population and 88% of total geographical area of the Country spread over around 630 districts in 28 states/UTs including small/medium and major cities/towns in Karnataka situated within the GAs, have been covered under the CGD network. Authorized entities will provide PNG domestic connections and install CNG stations as per their Minimum Work Plan (MWP) and the timeline determined by PNGRB and their techno-commercial feasibility. Details of GA-wise PNG connections in Karnataka, including Belagavi, is at Annexure-I.

As on 31.05.2022, authorized CGD entities have provided about 3,43,256 PNG domestic connections and established 194 CNG stations in the state of Karnataka.

- (c) The State/UT-wise and company-wise list of CNG stations is at Annexure-II.
