- (e) details of physical targets set under PMKVY 1.0 and 2.0 and whether targets have been achieved; and
- (f) if not, the reasons therefor and how it is going to be addressed under PMKVY 3.0?

ANSWER

**MINISTER OF STATE IN THE MINISTRY OF
SKILL DEVELOPMENT AND ENTREPRENEURSHIP
(SHRI RAJEEV CHANDRASEKHAR)**

(a) Under Skill India Mission, Ministry is implementing various programmes/ schemes for the skill development of youth across the country including in the State of Andhra Pradesh such as Pradhan Mantri Kaushal Vikas Yojana (PMKVY), Jan Shikshan Sansthan (JSS) and Craftsmen Training Scheme (CTS) through Industrial Training Institutes (ITIs). The district-wise number of skill development centres that have imparted training in the State of Andhra Pradesh under the various programmes of MSDE, are given at Table I of **Annexure**.

(b) The district-wise candidates trained/enrolled under various programmes/ scheme of MSDE such as PMKVY, JSS and CTS through ITIs in the State of Andhra Pradesh is given at Table II of **Annexure**.

'Udaan' was a Special Industry Initiative by Ministry of Home Affairs for the Youth of Jammu & Kashmir. Also, National Skill Certification and Monetary Reward Scheme known as STAR Scheme was implemented by Ministry of Finance and around 14 lakh candidates were trained across the country including State of Andhra Pradesh.

Further, there are no provisions of setting up of skill development training centres under SANKALP. Under SANKALP, MSDE is undertaking Recognition of Prior Learning (RPL) certification of workers in identified villages selected in Pradhan Mantri Adarsh Gram Yojana (PMAGY) under the aegis of Ministry of Social Justice and Empowerment, Government of India. Under this, 596 candidates have been oriented in the State of Andhra Pradesh.

(c) Under PMKVY, placement opportunities are being provided to Short Term Trained (STT) certified candidates, while RPL is not linked with placements as it recognizes the existing skills of candidates. Under placement linked component of PMKVY, 24.16 lakh candidates have been provided with the placement including 2.96 lakh self employed candidates in various sectors across the country.

(d) Ministry of Skill Development and Entrepreneurship (MSDE) has launched the demand-driven Pradhan Mantri Kaushal Vikas Yojana 3.0 (PMKVY 3.0) on 15.01.2021. The objectives of the scheme are to:

- i) Create an ecosystem for the youth to make informed choices on the available skilling avenues.
- ii) Provide support to youth for skill training and certification.
- iii) Promote sustainable Skill Centres for greater participation of private sector.
- iv) Benefit 8 lakh youth over the scheme period.

(e) and (f) The targets and candidates benefited under PMKVY 1.0 and 2.0 are given below:

(No. in lakh)		
Phase	Target	Candidates Trained / Oriented
PMKVY 1.0 (Phase I i.e. 2015-16)	24.00	19.86
PMKVY 2.0 (Phase II i.e. 2016-20)	100.00	109.98

Under PMKVY 1.0 target was not achieved due to newly introduction of Recognition of Prior Learning (RPL) component and its commencement in the last phase of Scheme. Further, the targets of PMKVY 2.0 have been achieved.

Ministry is implementing third phase of PMKVY i.e. PMKVY 3.0 which was modified on the basis of the evaluation studies and learning from the implementation of PMKVY 1.0 and 2.0.
