**STATEMENT REFERRED TO IN REPLY OF THE RAJYA SABHA STARRED QUESTION NO. \*11 DUE FOR ANSWER ON 18 JULY 2022 REGARDING “CLEANING OF SABARMATI RIVER”:**

Several infrastructure projects have been undertaken to clean the Sabarmati River under various Schemes/ Missions of Ministry of Jal Shakti, Ministry of Housing and Urban Affairs, Department for Promotion of Industry and Internal Trade (DPIIT), Government of India, Government of Gujarat and Ahmedabad Municipal Corporation (AMC), Gujarat during the last three years.

Under National River Conservation Plan (NRCP) of Ministry of Jal Shakti, AMC had constructed 155 Million Liters per Day (MLD) Sewage Treatment Plant (STP) at Pirana during NRCP phase-II to clean the Sabarmati river at a total cost of ₹151 crore. Under Assistance to States for Developing Export Infrastructure and Allied Activities (ASIDE) Scheme of DPIIT, a 30 MLD Common Effluent Treatment Plant (CEPT) is being constructed by AMC for Hand Screen Printing Association of Danilimda, Behrampura area and so far, ₹73.68 crore has been spent on the project during last three years. Under Atal Mission for Rejuvenation and Urban Transformation (AMRUT), a 25 MLD STP has been constructed at a cost of ₹27.5 crore. Ahmedabad Municipal Corporation (AMC) has taken up two projects at a cost of ₹4.90 crore for providing and fixing SS gate in storm water outlet at Sabarmati river and also cleaning of floating and green waste from the river. Government of Gujarat has also funded an STP project of 60 MLD capacity under State Swarnim Scheme at cost of ₹24.28 crore. Total expenditure incurred on these projects is ₹282.17 crore, details are at ANNEXURE.
