Unstarred Question No. 233

Answered on Tuesday, July 19, 2022/Ashadha 28, 1944 (Saka)

LOANS DISBURSED BY COOPERATIVE BANKS

233. SHRI K.C. VENUGOPAL:

SHRI SANJEEV ARORA:

Will the Minister of FINANCE be pleased to state:

- (a) whether the percentage of loans disbursed by the cooperative banks in the agriculture sector has increased over the last few years;
- (b) if so, the details thereof, including targets set and achievements made against the targets, State-wise including Tamil Nadu; and
- (c) whether Government has identified any constraints being faced by the cooperative banks in disbursing loans, and if so, the details thereof and the action taken by Government in this regard?

Answer

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE  
(DR. BHAGWAT KARAD)

(a) & (b): As apprised by National Bank for Agriculture and Rural Development (NABARD), the quantum of loan disbursed by cooperative banks and their share in the total loan disbursed in the agriculture sector has witnessed a steady increase over the last 3 years. The details of loans disbursed by the Cooperative Banks in the Agriculture sector during the last three years are given below:

Year	Loan Disbursed in Agriculture Sector (in Rs. Crore)	% share of Loans disbursed by Cooperative Banks in total loan disbursed in Agriculture sector
2019-20	1,57,367	11.3
2020-21	1,90,682	12.1
2021-22(P)	2,17,849	12.8

State-wise target and achievement for the last three years including Tamil Nadu is Annexed.

(c): The major constraints being faced by the Cooperative Banks in meeting the credit needs of their customers, inter-alia, include limited avenues for raising/augmentation of capital, governance and management issues, low level of technological adoption and limited outreach.

Some of the initiatives taken by the Government of India to address the above-mentioned issues are as follows:

- (i) With a view to augmenting the lending resources of Rural Cooperative Banks, Government has set up the Short Term Cooperative Rural Credit (Refinance) Fund in NABARD. Through this Fund, NABARD provides concessional short-term refinance to Cooperative Banks for extending loan to farmers for agriculture and allied activities. An amount of Rs. 45,000 crore has been disbursed by NABARD under the said fund during 2021-22.
- (ii) Similarly, Government has set-up a Long-Term Rural Credit Fund (LTRCF) in NABARD for the purpose of providing long term refinance support to Cooperative Banks and Regional Rural Banks at concessional rate of interest for their lending towards investment activities in agriculture. Government has allocated Rs. 15,000 crore to this Fund during 2021-22.

- (iii) To support the continued flow of concessional credit in the aftermath of COVID-19 pandemic, an additional amount of Rs. 16,800 crore was sanctioned by NABARD in 2020-21 to the cooperative banks out of a special refinance facility. This was followed by a release of another Rs. 15,053 crore to cooperative banks as a special refinance facility in 2021-22.
- (iv) Many provisions of the Banking Regulation Act relating to governance, regulation and supervision applicable to banking companies were not applicable to cooperative banks previously. Banking Regulation (Amendment) Act, 2020 extends such provisions to Co-operative Banks. While ensuring better management with proper regulation, these amendments aim to ensure that the affairs of the co-operative banks are conducted in a manner that protects the interests of the depositors, by increasing professionalism, enabling access to capital, improving governance and ensuring sound banking through the RBI.
- (v) Computerisation of Cooperative Banks has also been undertaken with financial assistance from GoI and NABARD. As a result, 100% Core Banking Solution (CBS) adoption by cooperative banks has been completed.
- (vi) Recently, GoI has also announced financial assistance for computerization of all 63000 functional Primary Agricultural Credit Society (PACS) i.e., the grassroots tier of rural cooperative banking. This scheme is being implemented by NABARD.
- (vii) Financial support was also provided under Financial Inclusion Fund (FIF) for various technology interventions, such as, RuPay cards, mobile demonstration vans, PoS devices, microATMs, etc.
