**ANSWER
MINISTER OF STATE FOR LABOUR AND EMPLOYMENT
(SHRI RAMESWAR TELI)**

(a) to (d): As per Annual Employment-Unemployment Survey conducted by the Labour Bureau, Ministry of Labour and Employment during the year 2011-12 to 2016-17 and Periodic Labour Force Survey (PLFS) conducted by Ministry of Statistics & Programme Implementation (MoSPI) since 2017-18, the State/UT-wise estimated Unemployment Rate on usual status for age 15 years and above since 2011-12 is as under :

Survey	Year	Unemployment Rate (in %)
Labour Bureau Survey	2011-12	3.3%
	2012-13	4.0%
	2013-14	3.4%
	2015-16	3.7%
	2016-17	3.9%
Periodic Labour Force Survey (PLFS)	2017-18	6.0%
	2018-19	5.8%
	2019-20	4.8%
	2020-21	4.2%

Source : PLFS, MoSPI and Labour Bureau

Results from both surveys viz. PLFS and Labour Bureau are not comparable due to different sampling methodology and coverage. PLFS covers seasonality of labour force as it is conducted during the period July to June (i.e. full year) whereas field work in Labour Bureau survey varied from 7 to 9 months and therefore, complete seasonality was not covered.

As per available Annual PLFS reports, the estimated, Unemployment Rate (UR) of youth on usual status for the age 15-29 years is 12.9% during the year 2020-21.
