ANSWER

MINISTER OF RAILWAYS, COMMUNICATIONS AND
ELECTRONICS & INFORMATION TECHNOLOGY

(SHRI ASHWINI VAISHNAW)

(a) to (c) Indian Railways do not run train services on State- wise/ Union Territory - wise basis as Railway network straddles across State/UT boundaries. Indian Railways broadly operates three types of train services viz. Mail/Express, Passenger and Sub-urban services. Introduction of train services is an ongoing process on Indian Railways subject to operational feasibility, traffic demand, availability of resources etc.
