

GOVERNMENT OF INDIA
MINISTRY OF PETROLEUM & NATURAL GAS
RAJYA SABHA
UNSTARRED QUESTION NO. 629
ANSWERED ON 12th December, 2022

SUPPLYING CNG AND PNG TO INDUSTRIAL UNITS

629 # SHRI KRISHAN LAL PANWAR:

Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

by when Government would provide Compressed Natural Gas (CNG) and Piped Natural Gas (PNG) to the industrial units, lying closed or closed frequently due to pollution?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS
(SHRI RAMESWAR TELI)

Providing PNG connections to households, industrial uses and establishment of CNG stations are part of the development of City Gas Distribution (CGD) Network and the same is being carried out by the entities authorised by Petroleum and Natural Gas Regulatory Board (PNGRB). After completion of 11 A CGD bidding round, 295 Geographical Areas (GAs) covering about 98% of the population and 88% of total geographical area of the country spread over around 630 districts in 28 states/UTs including all cities under these GAs, have been covered under the CGD network. CGD entities are mandated to supply piped natural gas to industries as per demand which may do so on commercial terms.
